The CPAG is an informal group made up of Presidents or the Chapter's Program VP/POC from the Orlando Area Defense Professional associations Chapter. The primary purpose of the group is to address issues of mutual interest and coordinate program activities. The Council of Presidents/ Vice Presidents meets quarterly to exchange information on upcoming chapter events and to the extent possible to deconflict these events. It also conducts an annual combined association's Defense Forum breakfast or luncheon where PEO STRI, USAF, USN & USMC Senior Leaders address the CPAG and its organizations membership. The CPAG had its first meeting 1 May 2001 and was formed by AFCEA/AUSA Fred Eisele, ITEA Jerry Sirmans, AAAA, Mark Russell and NDIA Stan Aronberg.
